Punctual attendance for the whole lesson is required and arriving more than 20 minutes late will be counted as an absence. In the case of an illness or family emergency, the student must present a valid excuse, such as a doctor's note.

Minimum Course Requirements, Assessment and Grading Policy:

For passing the course students are required to pass the midterm test and the final test.

Students can retake a missed or failed test only once. They can also re-sit the tests if they want to improve their mark. In the latter case the result of the re-sit will be taken into consideration when the final course grade is calculated.
