

**COURSE DESCRIPTION AND COURSE REQUIREMENTS
ACADEMIC YEAR 2022/2023 SEMESTER 1**

Course name	INTRODUCTION TO ENGLISH FOR ARCHITECTURE AND CIVIL ENGINEERING
Course Code	SZE006AN
Hours/Week	2 seminars
Credits	2
Degree Programme	All
Study Mode	Full time
Evaluation	Final course grade
Teaching Period	Autumn/Spring
Prerequisites	Placement test
Department	Centre for Foreign Languages for Technical Purposes
Teaching Staff	Györök Tímea, office: B033, e-mail: gyorok.timea@mik.pte.hu

AIMS AND OBJECTIVES

The course is designed for Architecture and Civil Engineering students with a lower-intermediate knowledge of English. The aim of the course is to improve students' career specific vocabulary and develop the four key language components: reading, listening, speaking and writing.

CONTENT

Overview:

Skills are developed through realistic reading passages and dialogues, reading and listening comprehension tasks and guided speaking and writing exercises. The course has a topic based syllabus, where topics include types of buildings, construction materials, the design and construction process, and sustainability.

Syllabus:

1. Orientation
2. What is Architecture? Types of buildings; Describing buildings
3. Shapes and structures
4. Materials
5. Describing materials
6. Qualities of an architect, People in architecture
7. Civil engineering
8. Roads, Bridges, Tunnels
9. Autumn Break
10. Presentations

11. Elements of construction, Construction process
12. Prefabrication, Finished building
13. Sustainability
14. Revision
15. Final test

REQUIREMENTS AND ASSESSMENT

Attendance:

Attendance is required for all classes and will impact the grade. Unexcused absences will adversely affect the grade, and absences from more than 30% of the total number of lessons will be grounds for failing the class. Punctual attendance for the whole lesson is required and arriving more than 20 minutes late will be counted as an absence. In the case of an illness or family emergency, the student must present a valid excuse, such as a doctor's note.

Minimum Course Requirements, Assessment and Grading Policy:

For passing the course students are required to submit their PPTs and deliver their presentations during the 15 week semester and to pass the midterm/final test.

Students can retake missed or failed tests only once. They can also re-sit the test if they want to improve their mark. In the latter case the result of the re-sit will be taken into consideration when the final course grade is calculated.

Grading Scale:

85 – 100%	5 (Excellent)
70 – 84%	4 (Good)
55 – 69%	3 (Average)
40 – 54%	2 (Poor)
0 – 39%	1 (Fail)
