(Neptun: Instruction/Subjects/Subject Details/Syllabus/Examination and Evaluation System)

ATTENDANCE

In accordance with the Code of Studies and Examinations of the University of Pécs, Article 45 (2) and Annex 9. (Article 3) a student may be refused a grade or qualification in the given full-time course if the number of class absences exceeds 30% of the contact hours stipulated in the course description.

Method for monitoring attendance (e.g.: attendance sheet / online test/ register, etc.)

Attendance sheet

ASSESSMENT

Cells of the appropriate type of requirement is to be filled out (course-units resulting in mid-term grade or examination). Cells of the other type can be deleted.

Course resulting in mid-term grade (PTE TVSz 40§(3))

Mid-term assessments, performance evaluation and their ratio in the final grade (The samples in the table to be deleted.)

Type	Assessment	Ratio in the final grade
1 st Midterm test	max 20 points	40 %
2 nd Midterm test	30 points	60 %
e.g.: home assignment (project documentation)	eg. max 30 points	eg. 30 %
...	eg. max 15 points	eg. 20 %

Opportunity and procedure for re-takes (PTE TVSz 47§(4))

The specific regulations for improving grades and resitting tests must be read and applied according to the general Code of Studies and Examinations. E.g.: all tests and assessment tasks can be repeated/improved at least once every semester, and the tests and home assignments can be repeated/improved at least once in the first two weeks of the examination period.

Attendance on the lectures:

The students can miss maximum 3 occasions. If the work on lectures or the preparedness of the student is not adequate than it is not equal with the presence, which could have influence for the evaluation of the semester.

Mid semester tests:

2 examtest will be during the semester.

The retake examtest will be on the 15th week. You can get 50 points on this, it will overwrite the other exams points and it will be about the whole semester's material.

Signature / semester mark condition:

During the semester exams reach the minimum of 40% per each. Do not exceed the maximum missing occasion.

Exam:

Grading Scale:

0-19 point	1 (Unsatisfactory work)
20-27 point	2 (Less than satisfactory work)
28-34 point	3 (Satisfactory work)
35-42 point	4 (High quality work)
43-50 point	5 (Outstanding work)

Grade calculation as a percentage

based on the aggregate performance according to the following table

Course grade	Performance in %
excellent (5)	85 % ...
good (4)	70 % ... 85 %
satisfactory (3)	55 % ... 70 %
pass (2)	40 % ... 55 %
fail (1)	below 40 %

The lower limit given at each grade belongs to that grade.
