COURSE DESCRIPTION

Basics of Professional German language course is an introductory German course for students with no prior knowledge of the language. Based on a communicative and task-based approach, it is designed to develop proficiency in oral and written communication skills. Students will develop their listening, speaking, reading and writing skills through a variety of stimulating activities. Vocabulary will be presented in the context of professionally significant issues.

Topics cover areas such as introducing and talking about oneself, telling time and recounting a day, describing and renting an apartment, cities and countries, languages, making an appointment or giving directions, jobs and studies, eating, travelling.

Additionally, the course will provide students with a foundation in a number of basic grammatical structures and concepts.

Class periods will be devoted mostly to communicative and interactive exercises. In addition to preparation at home, regular class attendance is paramount in order to participate successfully in these activities.
